The fare rules of the most restrictive flight are valid for cancellations and refund processes.

The flights on your ticket must be used in sequence. If you do not board any of the flights on your ticket, the remaining flights will be automatically canceled, including your return flights.

The specified refund rules are valid only if all flights are refunded.

When making changes to your ticket, you must pay the fee difference as well as any additional price differences that may occur..

The flight rules that will apply in case of cancellation or change are listed above..

When you select extra baggage; your increased baggage allowance will be shown on the passenger preferences field.

The last seat information shows the remaining number of seats for the respective fare class.

All local taxes (O4, K3-(GST), etc.) are included in the total fee shown for additional services.

Additional services purchased by the passenger (seat, extra baggage, cabin upgrade) are non-refundable if used by the passenger. The seat fee will not be refunded for changes and cancellations made on the request of the passenger.

Airport taxes paid for unused flights, which were not paid by Turkish Airlines to any Airport Authority, may be refundable upon request.

In case of a partial refund, the cost of the completed flight will be charged and the remaining amount will be refunded to the account according to the fare rules.

In cases where the flight right is not used (no show), the ticket cannot be refunded after the flight. Only the airport tax is refunded.
