Notice

- Please prepare an ID cards that exactly matches the name and language (Korean or English) you reserved.
- This boarding pass allows its carrier to enter the departure terminal and board the flight without any pre-boarding procedures. Please arrive at the departure terminal no later than 1 hour prior to departure. If you have baggage to check in, please use the self-service bag-drop counter (if available at the airport) or the baggage-drop counter.
- Passport (international flight) or ID card (domestic flight) and boarding pass are checked for identification purposes, in accordance with the Aviation Security Act. As the passenger, it is your responsibility to prepare all necessary travel documents. Please double check that all your travel documents are valid and current.
- Please scan the barcode on the boarding pass of each passenger using the boarding pass reader before boarding the flight. To have a boarding pass reissued, make sure to double-check the passenger.
