Important when you fly

**Security measures**

The American authorities have introduced additional security controls for all passengers travelling to the United States. This process will increase check-in and boarding times. Iberia therefore requests that you report to the check-in desk at least four hours before departure if you are travelling from Madrid, or that you proceed to the boarding gate as early as possible if you are in transit. Additional security controls will also be carried out when boarding flights to the United States from any other Spanish airport.

Please note that any traveler who has been in Cuba since January 12, 2021, will not be able to apply for ESTA and will need a B1 or B2 visa in order to travel to the US.

**Flights operated by American Airlines**

This airline does not accept unaccompanied minors under the age

of 15.

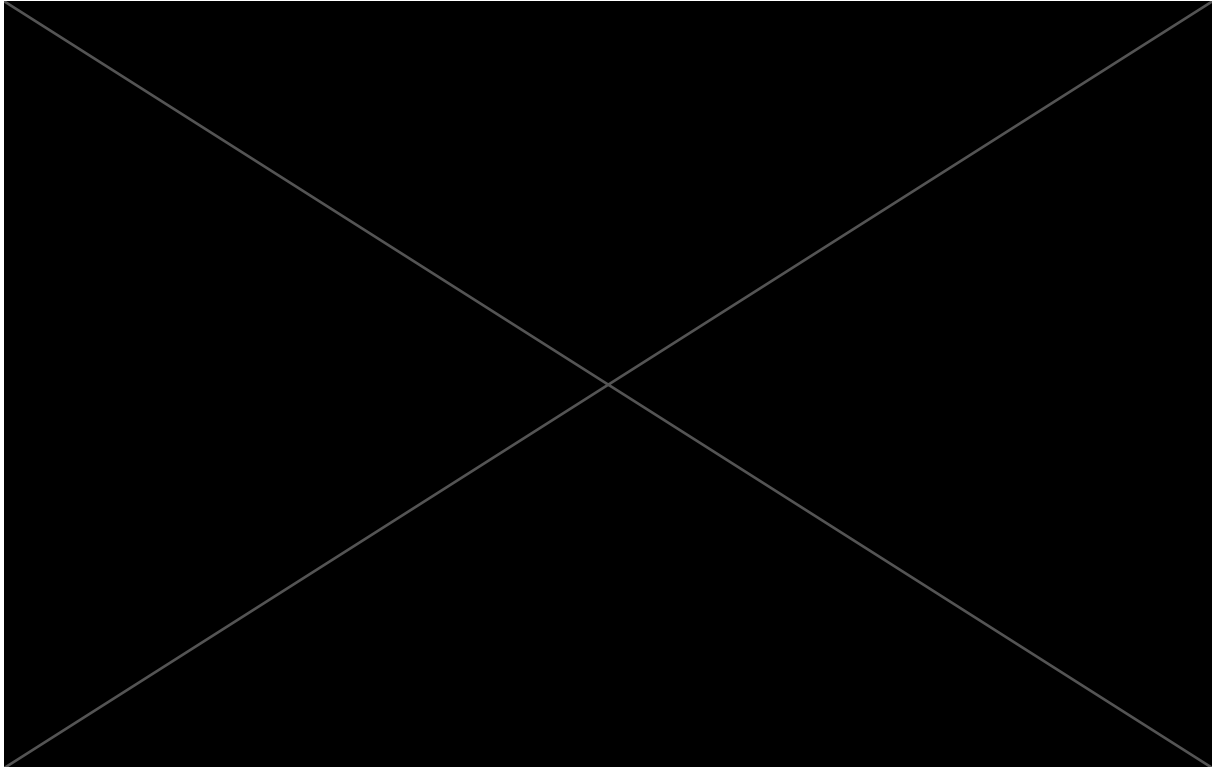

Flights operated by British Airways
