At the Airport

60 mins
before departure

Get your baggage tags from our kiosks and drop your bags at our Self-service Bag Drop machines located at **Narita International Airport (Terminal 2, 3rd Floor, Zone I)** at least **60 minutes** before scheduled departure time.

30 mins
before departure

Arrive at the boarding gate and present your travel documents for checking at least 30 minutes before departure to avoid unnecessary delays.

10 mins
before departure

Boarding gate will be closed 10 minutes prior to departure. Late passengers will not be accepted.

Important Reminders

- Immigration and Security Regulations require that your name on the boarding pass must match that on your travel document. If there is a discrepancy, please contact our airport team for assistance.
- You **MUST** cancel your check-in online at least 60 minutes before departure if you cannot travel as planned. Failure to do so will require you to contact Cathay Pacific to reissue your ticket before future travel is allowed. This may result in re-issuance fees and payment of any fare differences as per the ticket conditions.
- Please check your flight status online before departing for the airport and the gate number at the airport.
- If you are transferring from another airline, please contact our transfer desk to update your baggage information.
- Please treat your boarding pass with care, as it contains sensitive passenger information.
